The submissions on this file were considered at a Board meeting held on 18/12/2020.

The Board decided to grant leave to appeal, based on the reasons and considerations set out below.

### **Reasons and Considerations**

It is considered that it has been shown that -

- (i) the development, in respect of which a decision to grant permission has been made, will differ materially from the development as set out in the application for permission by reason of condition/condition(s) numbered 1, 3 and 6 imposed by the planning authority to which the grant is subject, and
- (ii) the imposition of condition/conditions numbered 1, 3 and 6 will materially affect the applicant's enjoyment of the land adjoining the land in respect of which it has been decided to grant permission or reduce the value of the land.
