The submissions on this file and the Inspector's report were considered at a Board meeting held on 22/04/2021.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the location of the site on zoned lands, the layout of the proposed development, it is considered that subject to compliance with the conditions set out below, the proposed development, would not seriously injure the amenities of the area or of property in the vicinity, would not be prejudicial to public health and would be acceptable in terms of traffic safety. The proposed development would therefore be in accordance with the proper planning and sustainable development of the area.

Conditions

- 1 The development shall be carried out and completed in accordance with the plans and particulars lodged with the application as amended by the further information submitted on 4th November 2020 except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to the commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Prior to the commencement of development details of the materials, colours and textures of all the external finishes of the proposed development shall be submitted to the planning authority for agreement.

Reason: In the interest of orderly development and in the interest of visual amenity.

3. Prior to the commencement of development, details of soft and hard landscaping scheme and boundary treatment details for the site shall be submitted to the Planning Authority for agreement.

Reason: In the interest of residential amenity,

4. The first-floor gable windows shall be permanently glazed with obscure glass.

Reason: In the interest of residential amenity.

5. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

6. The applicant or developer shall enter into water and/or wastewater connection agreement(s) with Irish Water, prior to commencement of development.

Reason: In the interest of public health.

7. Entrance from the public road and temporary construction access arrangements shall be in accordance with the detailed requirements of the planning authority for such works.

Reason: In the interest of amenities and public safety.

8. All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard ducting shall be provided to facilitate the provision of broadband infrastructure within the development.

Reason: In the interest of orderly development and the visual amenities of the area.

9. Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to the planning authority for agreement prior to the commencement of development.

Reason: In the interest of amenity and public safety.

10. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with the planning authority prior to commencement of development. This plan shall be prepared in accordance with "Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects", published by the Department of the Environment, Heritage and Local Government in July 2006.

Reason: In the interest of sustainable waste management.

- 11 The construction of the development shall be managed in accordance with a Construction Management Plan which shall be submitted to, and agreed in writing with, the Planning Authority prior to commencement of development. The plan shall provide details of intended construction practice for the development, including hours of working, noise management measures, construction access and traffic management and off-site disposal of construction and demolition waste.

Reason: In the interest of public safety and residential amenity.

- 12 The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting the development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the scheme at the time of payment. Details of the application of the terms of the scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contributions Scheme made under section 48 of the Act be applied to the permission.

13. The developer shall pay to the planning authority a financial contribution in respect of the Cork Suburban Rail Project in accordance with the terms of the Supplementary Development Contribution Scheme made by the Planning Authority under Section 49 of the Planning and Development Act 2000. The contribution shall be paid prior to

the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Supplementary Development Contribution Scheme made under section 49 of the Act be applied to the permission.
