The submissions on this file and the Inspector's report were considered at a Board meeting held on 16/03/2022

The Board determined, generally in accordance with the Inspector's recommendation, that, based on the information before it, the site was a vacant site within the meaning of the Urban Regeneration and Housing Act, 2015, as amended, (the Act) for the period concerned, as set out in the entry in the Vacant Sites Register, for the following reasons and considerations.

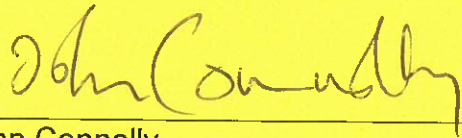

Reasons and Considerations

Having regard to

- (a) The information placed before the Board by the Planning Authority in relation to the entry of the site on the Vacant Sites Register,
- (b) The grounds of appeal submitted by the appellant,
- (c) The report of the Planning Inspector,
- (d) The fact that the site is on residential lands,
- (e) The need for housing in the area,
- (f) The fact that the site is suitable for the provision of housing by reference to the provision of public infrastructure and facilities (within the meaning of section 48 of the Planning and Development Act, 2000, as amended) necessary to enable housing to be provided and serviced,

the Board considered that the site was a vacant site within the meaning of the Act for the period concerned and that it is appropriate that a notice be issued to the planning authority who shall confirm the entry on the Vacant Sites Register.
