Pleanála

**Board Direction**  
**BD-008391-21**  
**ABP-309420-21**

At a meeting held on 02/06/2021, the Board considered the report of the Inspector and the documents and submissions on file generally, in relation to the proposed development, consisting of a 110kV substation and underground cable route connecting the permitted Ballymoneen Solar Farm to the Cashla 110/220kV substation in the townlands of Grange East and Cashla, County Galway.

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 10<sup>th</sup> day of February 2021, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Galway County Council.
