The submissions on this file and the Inspector's report were considered at a Board meeting held on 06/05/2022.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Dublin City Development Plan 2016-2022 and the zoning of the site, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual and residential amenity of the area, would not be prejudicial to public health and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

- | | |
|----|---|
| 1. | The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning |
|----|---|

2.	<p>Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
3.	<p>The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including:</p> <ul style="list-style-type: none"> (a) Location of the site and materials compound(s) including areas identified for the storage of construction refuse; (b) Location of areas for construction site offices and staff facilities; (c) Details of site security fencing and hoardings; (d) Details of on-site car parking facilities for site workers during the course of construction; (e) Details of the timing and routing of construction traffic to and from the construction site and associated directional signage, to include proposals to facilitate the delivery of abnormal loads to the site; (f) Measures to obviate queuing of construction traffic on the adjoining road network; (g) Measures to prevent the spillage or deposit of clay, rubble or other debris on the public road network; (h) Alternative arrangements to be put in place for pedestrians and vehicles in the case of the closure of any public road or footpath during the course of site development works;

	<ul style="list-style-type: none"> (i) Provision of parking for existing properties during the construction period; (j) Details of appropriate mitigation measures for noise, dust and vibration, and monitoring of such levels; (k) Containment of all construction-related fuel and oil within specially constructed bunds to ensure that fuel spillages are fully contained. Such bunds shall be roofed to exclude rainwater; (l) Off-site disposal of construction/demolition waste and details of how it is proposed to manage excavated soil; (m) Means to ensure that surface water run-off is controlled such that no silt or other pollutants enter local surface water sewers, drains or the Grand Canal. <p>A record of daily checks that the works are being undertaken in accordance with the Construction Management Plan shall be kept for inspection by the planning authority.</p> <p>Reason: In the interest of amenities, public health and safety.</p>
4.	<p>Construction and demolition waste shall be managed in accordance with a construction demolition and waste management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the "Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects", published by the Department of the Environment, Heritage and Local Government in July 2006. The plan shall include details of waste to be generated during site clearance and construction phases and details of the methods and locations to be employed for the prevention, minimisation, recovery and disposal of this material in accordance with the provision of the Waste Management Plan for the Region in which the site is situated.</p> <p>Reason: In the interest of sustainable waste management.</p>
5.	<p>Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400</p>

	<p>hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the residential amenities of property in the vicinity.</p>
6.	<p>Prior to commencement of development, the developer shall enter into a water and/or wastewater connection agreement(s) with Irish Water.</p> <p>Reason: In the interest of public health.</p>
7.	<p>Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
8.	<p>The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This scheme shall include the following:</p> <p>(a) A plan to scale of not less than 1:500 showing -</p> <p>(i) The species, variety, number, size and locations of all proposed trees and shrubs which shall comprise predominantly native species such as mountain ash, birch, willow, sycamore, pine, oak, hawthorn, holly, hazel, beech or alder and which shall not include prunus species.</p> <p>(ii) Details of screen planting which shall not include cupressocyparis x leylandii.</p> <p>(iii) Details of roadside/street planting which shall not include prunus species.</p> <p>(iv) Hard landscaping works, specifying surfacing materials, furniture and finished levels.</p> <p>(b) Specifications for mounding, levelling, cultivation and other operations associated with plant and grass establishment.</p>

	<p>(c) A timescale for implementation .</p> <p>All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.</p> <p>Reason: In the interest of residential and visual amenity.</p>
9.	<p>Prior to commencement of development, the developer shall submit for the written agreement of the planning authority details of the proposed boundary treatment along the southern boundary of the site. Details to be submitted shall outline measures to protect the privacy and security of the residents within the ground floor apartments which adjoin the Grand Canal Towpath.</p> <p>Reason: In the interest of visual and residential amenity.</p>
10.	<p>Proposals for an estate name, apartment numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate signs, and apartment numbers, shall be provided in accordance with the agreed scheme. The proposed name shall be based on local historical or topographical features or alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name.</p> <p>Reason: In the interest of urban legibility and to ensure the use of locally appropriate placenames for new residential areas.</p>
11.	<p>Public lighting shall be provided in accordance with a scheme, which shall include lighting along pedestrian routes through open spaces, details of which shall be submitted to, and agreed in writing with, the planning</p>

	<p>authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of the development.</p> <p>Reason: In the interests of amenity and public safety.</p>
12.	<p>No additional development shall take place above roof parapet level, including lift motor enclosures, air handling equipment, storage tanks, ducts or other external plant, telecommunication aerials, antennas or equipment, unless authorised by a further grant of planning permission.</p> <p>Reason: To protect the residential amenities of property in the vicinity and the visual amenities of the area.</p>
13.	<p>The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company. A management scheme providing adequate measures for the future maintenance of public open spaces, roads and communal areas shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: To provide for the satisfactory future maintenance of this development in the interest of residential amenity.</p>
14.	<p>The proposed car parking layout shall be modified so that at least one space is provided for persons with impaired mobility. These spaces shall be located as close as possible to the building entrance. The layout, dimensions and markings for these spaces shall be in accordance with the guidance set out in the document "Building for Everyone - a Universal Design Approach" (National Disability Authority). Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: To ensure a satisfactory parking provision for the proposed development that is accessible to all users.</p>
15.	<p>All of the communal parking areas serving the residential units shall be provided with functional electric vehicle charging points. Details of how it is</p>

	<p>proposed to comply with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of sustainable transportation.</p>
16.	<p>Electric charging facilities shall be provided for bicycle parking and proposals shall be submitted to and agreed in writing with the planning authority prior to the occupation of the development.</p> <p>Reason: In the interest of orderly development and to provide for and future proof the development as would facilitate the use of electric bicycles.</p>
17.	<p>A plan containing details for the management of waste (and, in particular, recyclable materials) within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials and for the ongoing operation of these facilities for each apartment unit shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.</p> <p>Reason: In the interest of residential amenity, and to ensure the provision of adequate refuse storage.</p>
18.	<p>Prior to commencement of development, the Applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.</p>

	<p>Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.</p>
19.	<p>The apartments shall not be used for any short term residential letting.</p> <p>Reason: In the interests of the proper planning and sustainable development of the area.</p>
20.	<p>Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the Local Authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.</p> <p>Reason: To ensure the satisfactory completion of the development.</p>
21.	<p>The developer shall pay to the planning authority a financial contribution in lieu of the public open space requirement in respect of public open space benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the Authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p>

	<p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
22.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the Authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
