At a meeting held on 12/08/2021, the Board considered the documents on file and the report of the Inspector, which was completed following the request by the prospective applicant to close the consultation, in relation to the development of the BusConnects Core Bus Corridor Infrastructure Works along 12 routes in Dublin.

The Board noted the contents of the Inspector's report and agreed that the pre-application consultations be formally closed.

The prescribed bodies as identified by the Inspector to be consulted are considered satisfactory. Note: add Fingal County Council and the Department of Housing, Local Government and Heritage to the list.
