

The submissions on this file and the Inspector's report were considered at a Board meeting held on 08/03/2022.

The Board determined that

- the amount of the levy has been incorrectly calculated,

for the following reasons and considerations.

Reasons and Considerations

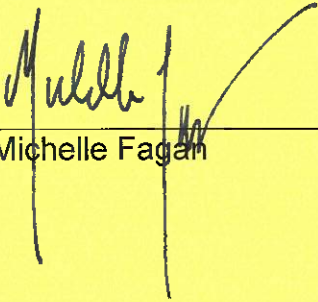

Having regard to:

- (a) The information placed before the Board by the Planning Authority in relation to the entry of the site on the Vacant Sites Register,
- (b) The grounds of appeal submitted by the appellant,
- (c) The report of the Planning Inspector,
- (d) A change in ownership that occurred in May 2021, the amount of the levy has been incorrectly calculated in respect of the site by the planning authority, but the site continued to be a vacant site,

the Board considered that, in accordance with Section 18(4) of the Urban Regeneration and Housing Act 2015 (as amended), the Board has determined that the amount of the levy has been incorrectly calculated in respect of the vacant site and in accordance with Section 17(1) of the Urban Regeneration and Housing Act 2015 (as amended), the amount of vacant site levy to be charged in respect of the site for the year 2021, and for the preceding year 2020, shall be zero. The Board

considered that it is appropriate that a notice be issued to the planning authority who shall amend the demand made in respect of the year 2020 in accordance with the revised amount (zero) and shall retain the entry on the Vacant Sites Register.
