Board Direction
BD-009061-21
ABP-310256-21

At a meeting held on 10/09/2021, the Board considered the report of the Inspector and the documents and submissions on file generally, in respect of the proposed development of an on-site single bay GIS substation and underground cable up to 220kV for the purposes of connecting to an adjoining proposed synchronous compensator to the adjoining Maynooth Eirgrid substation, in the townland of Windgates, County Kildare.

The Board decided that the proposed development does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Kildare County Council.

Board Member:

Dave Walsh

Date: 10/09/2021
