Re: Amending Board Order
S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 26/01/2022.

The Board decided that a clerical error had occurred and further decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of 18th day January 2021 by amending Condition No. 3.

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

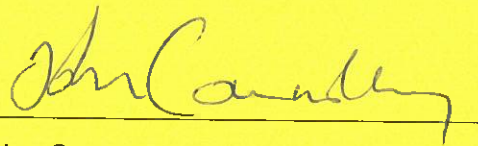

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly, the Board hereby amends the above-mentioned decision by amending Condition No. 3 in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

3. The operation of the floodlighting shall be prohibited between the hours of 22.00 to 09.00, with the exception of the two lighting stands serving the car parking area to the immediate west of the school building, which shall operate by automated daylight sensor. Details of the proposed automated sensors shall be agreed in writing with the planning authority prior to the commencement of development.

Reason: In the interests of residential amenity.
