At a meeting held on 10/09/2021, the Board considered the report of the Inspector and the documents and submissions on file generally in respect of the proposed development of an Open Cycle Gas Turbine plan and ancillary connection infrastructure within the Tynagh Power Station, Derryfrench, Tynagh, County Galway.

The Board decided that the proposed development does not fall within the scope of section 37A or section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Galway County Council.
