ABP-310828-21

At a meeting held on 21/10/2021, the Board considered the report of the Inspector and the documents and submissions on file generally, in respect of the proposed development of a proposed synchronous compensator, together with a 220kV GIS building, a 220kV underground cable to the existing Eirgrid substation boundary and associated works adjacent to the Belcamp 220kV substation, at Belcamp, Dublin 17.

The Board decided that the proposed development does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Fingal County Council.
