The submissions on this file and the Inspector's report were considered at a Board meeting held on 13/01/2022.

The Board decided to confirm the decision of the planning authority to refuse the license application, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

Having regard to the location of the site within an existing public car park and in close proximity to a car wash facility, it is considered that the placing of furniture within the car park area would result in increased pedestrian vehicular conflict and would result in additional traffic hazard and would therefore be contrary to the objectives of the West Iveragh Local Area Plan 2019-2025 and Kerry County Development Plan 2015-2021 and contrary to the proper planning and sustainable development of the area.
