At a meeting held on 04/04/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in respect of the proposed development, consisting of two 110kV substations and underground 110kV transmission line connection between the proposed two substations at Mullanafawnia and Broughal, County Offaly,

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 26th day of October 2021, falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made directly to the Board.
