Re: Amending Board Order
S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 08/02/2022.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of 20th day of January 2022 by omitting condition no 8.

The Board decided that;

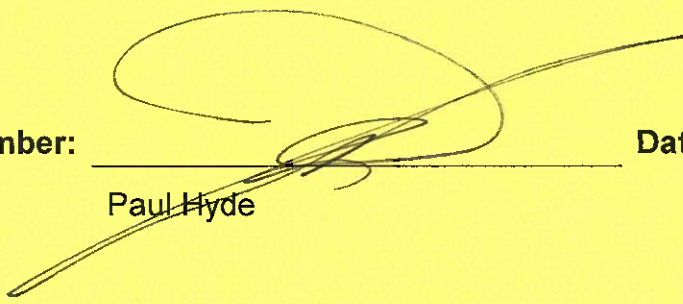

- (1) a clerical error had occurred,
- (2) it is appropriate to amend its Order dated 20th day of January 2022 in order to facilitate the permission/decision where the amendment may reasonably be regarded as having been contemplated by either a particular provision of the permission/decision or the terms of the permission/decision which were not expressly provided, or
- (3) the amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission.

Accordingly the Board hereby amends the above-mentioned decision by omitting condition no 8 in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended.:
