The submissions on this file were considered at a Board meeting held on 16/03/2022.

The Board decided to dismiss this appeal under section 138 (1) (b) of the Planning and Development Act, 2000 based on the following reasons and considerations.

The grounds of appeal relate solely to matters regarding legal interest in the property and do not address the development for which permission has been sought. The resolution of these matters does not come within the remit of the Board. The Board is, therefore, satisfied that in the particular circumstances, the appeal should not be further considered by it having regard to the nature of the appeal.
