At a meeting held on 13/12/2021, the Board considered the submissions and documents on file and the report of the Inspector, in relation to the proposed development, consisting of a 293MW power station and associated works at Kilshane, County Dublin.

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 4th day of November 2021, does not fall within the scope of section 37A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Fingal County Council.
