ABP-311907-21

At a meeting held on 22/03/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in relation to the proposed development, consisting of an underground 110kV transmission line connection between the Kishoge 110kV GIS substation in Ballymakaily, West of Newcastle Road, Lucan, County Dublin and the permitted 110kV transmission line at Aungierstown-Castlebaggot, Grange Castle South Business Park, Baldonnel, Dublin 22.

The Board decided that the abovementioned proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 9th day of November 2022, falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made directly to the Board.
