ABP-312249-21

At a meeting held on 14/06/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in relation to the proposed development, consisting of a 110 KV substation and electrical cable connection from permitted Knocknamork Renewable Energy Development to existing 220kV Ballyvouskil substation, in the townlands of Cummeennabuddoge, County Kerry and lands in Caherdowney, County Cork.

The Board decided that the proposed development, as described in the documents received by the Board on 17th day of December 2022 falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made directly to the Board.
