Board Direction
BD-010930-22
ABP-312532-22

At a meeting held on 27/06/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in relation to the proposed development, consisting of a 110kV electrical substation and associated infrastructure for the purposes of connecting a planned solar farm to the existing Derrycarney-Portlaoise 110kV overhead line network within the townlands of Freagh and Gortnamuck, County Offaly.

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 19th day of January 2022, falls within the scope of section 182A of the Planning & Development Act 2000, (as amended), and that any planning application should be made directly to the Board
