**Re: Amending Board Order**

**S146A of the Planning and Development Act, 2000, as amended**

The submissions on this file were considered at a Board meeting held on 26/07/2023.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 19/06/2023.

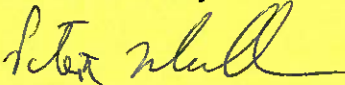

The Board decided that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission.

Accordingly the Board hereby amends the above-mentioned decision by the insertion of a new condition in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

- a) Crane activities at the site shall be coordinated with the Dublin Aviation Authority at least 90 days in advance for assessment of proposed crane activities.
- b) Prior to the commencement of development, an aviation obstacle warning lighting scheme for the development shall be agreed with the Dublin Aviation Authority

**Reason:** In the interest of aviation safety.
