The submissions on this file and the Inspector's report were considered at a Board meeting held on 15/05/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Kildare County Development Plan, 2023-2029, including the stated residential use on site, the nature of the proposed use (i.e. a domestic storage shed), size and characteristics of the site, and the pattern of development in the surrounds, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity and would constitute an acceptable form of development at this location. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

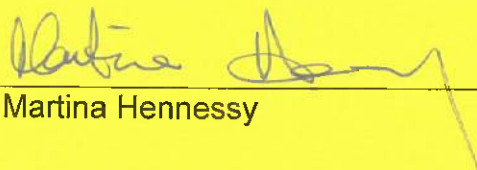

Conditions

1.	The proposed development shall comply with the plans and particulars lodged with the application submitted, and as amended by Further Information received on the 22 nd of December 2021, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning
----	---

	<p>authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>The storage shed hereby permitted shall be used for domestic purposes only and shall remain ancillary to the dwelling. It shall not be used for human habitation, for any commercial use or for the carrying out of any trade. The structure shall not be let or sold separately to the dwelling.</p> <p>Reason: In the interests of clarity and to regulate the use of the development in the interest of the proper planning and sustainable development of the area.</p>
3.	<p>In terms of construction management and the management of waste, the Applicant shall comply with the requirements of the Planning Authority.</p> <p>Reason: In the interest of the proper planning and sustainable development of the area.</p>
4.	<p>Drainage arrangements, including the disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
5.	<p>During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site.</p> <p>Reason: In the interest of public health.</p>
6.	<p>Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional</p>

	<p>circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the residential amenities of property in the vicinity.</p>
7.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
