### **Reasons and Considerations**

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further

Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

3. Boundary treatments shall be in accordance with the details submitted to the Planning Authority dated the 9<sup>th</sup> day of August 2021. All existing site boundaries shall be retained and strengthened by way of supplementary planting.

**Reason:** In the interest of visual amenity.

4. The public opening hours of the medical practice shall be between 0830 and 1700 Mondays to Fridays inclusive. Any changes to these times shall be subject to a new planning application.

**Reason:** In the interest of clarity.

5. Secure cycle parking shall be provided within the proposed development in accordance with the requirements of the Planning Authority. A drawing demonstrating compliance with this requirement shall be submitted for the

- written agreement of the Planning Authority prior to commencement of development.

**Reason:** To ensure an appropriate standard of development.

6. Details of the type, height, lumen level, and location of all external lighting shall be submitted for the written agreement of the Planning Authority prior to commencement of development.

**Reason:** To ensure an appropriate standard of development and to protect the residential amenities of the area.

7. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

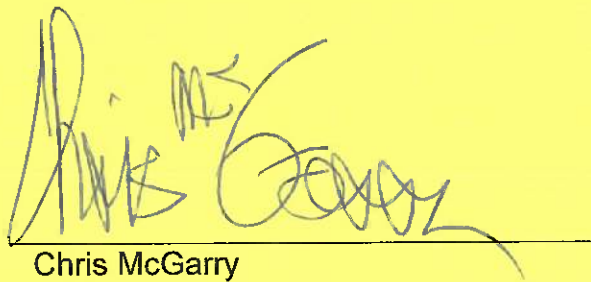

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall

be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
