At a meeting held on 27/06/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in relation to the proposed construction of temporary emergency electricity generation facilities at North Wall, Alexandra Road, Dublin 1.

The Board noted that the pre-application consultation process which had taken place with the prospective applicant has now been concluded. The Board also noted and agreed with the list of prescribed bodies, identified in the Inspector's report, to be consulted with in respect of any future application for approval.
