The submissions on this file and the Inspector's report were considered at a Board meeting held on 29/07/2022.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the following matters:

- (a) the provisions of the Kerry County Development Plan 2015,
- (b) the provisions of the Killarney Municipal District Local Area Plan 2018-2024,
- (c) the guidelines relating to Telecommunications Antennae and Support Structures which were issued by the Department of the Environment and Local Government to planning authorities in July 1996,
- (d) Circular Letter PL/07/12, issued by the Department of the Environment, Community and Local Government in October 2012,
- (e) Circular Letter PL/01/2018, issued by the Department of the Environment, Community and Local Government in February 2018,
- (f) the location of the proposed development site within the Castleisland Co-Operative Livestock Mart grounds,
- (g) the nature and scale of the proposed development,
- (h) the submissions and observations received, and

- (i) the planning officer reports and decision of the planning authority,

The Board considered that, subject to compliance with the conditions set out below, the proposed development would be acceptable in terms of the visual amenity of the area, would not seriously injure the amenities of adjoining properties or the wider area and would be acceptable in terms of roads and traffic. The proposed development, would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, and further information submitted on the 8th February 2022, except as may otherwise be required in order to comply with the following conditions.

Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The developer shall provide and make available at reasonable terms the proposed support structure for the provision of mobile telecommunications antenna of third party licenced telecommunications operators.

Reason: To avoid a multiplicity of telecommunications structures in the area, in the interest of visual amenity, and proper planning and sustainable development

3. A low intensity fixed red obstacle light shall be fitted as close to the top of the mast as practicable and shall be visible from all angles in azimuth. Details of this light, its location and period of operation shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of public safety.

4. (a) In the event of the proposed structure becoming obsolete and being decommissioned, the developers shall, at their own expense, remove the mast, antenna and ancillary structures and equipment.
- (b) The site shall be reinstated upon the removal of the telecommunication structure and ancillary structures. Details of the reinstatement shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development.

Reason: In the interest of orderly development.

5. Details of the proposed colour scheme for the telecommunications structure, ancillary structures and fencing shall be submitted to and agreed in writing with the planning authority prior to commencement of development.

Reason: In the interest of the visual amenities of the area.

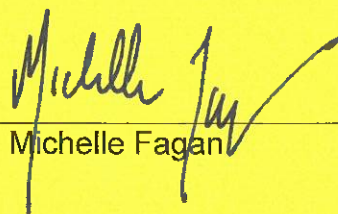

6. No advertisement or advertisement structure shall be erected or displayed on the proposed structure or its appendages or within the curtilage of the site without a prior grant of planning permission.

Reason: In the interest of the visual amenities of the area.

7. Surface water drainage arrangements for the proposed development shall comply with the requirements of the planning authority.

Reason: In the interest of public health and to prevent flooding.
