The submissions on this file and the Inspector's report were considered at a Board meeting held on 28/11/23, the Board decided to defer for further consideration and issue a Section 137 notice to the parties on matters relating to flood risk and surface water. At a Board meeting held on the 15/01/2023 the Board decided to defer this case for further consideration and request the Inspector to prepare an addendum report taking on board the information received. At a Board meeting held on the 20/03/2024 the Board considered the totality of the file.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the nature and scale of the proposed development, for a residential development within the village of Johnstown Bridge and on a site which is zoned objectives 'A – Village Centre' and 'C - New Residential', it is considered that the proposal would be in accordance with the Kildare County Development Plan 2023 – 2029, and subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Appropriate Assessment

The Board considered the information on the file, the Board concluded that the proposed development, individually or in combination with other plans or projects would not be likely to have a significant effect on any European site, and a stage 2 appropriate assessment is not therefore required.

Conditions

1.	<p>The development shall be carried out and completed in accordance with the plans and particulars lodged with the application on the 28th day of April 2022, except as may otherwise be required to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development, or as otherwise stipulated by conditions hereunder, and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>Details of all external shopfronts and signage shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development.</p> <p>Reason: In the interest of the amenities of the area/visual amenity.</p>
3.	<p>Details of the materials, colours and textures of all the external finishes to the proposed development and any signs shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
4.	<p>The internal road network serving the proposed development including turning bays, junctions, parking areas, footpaths and kerbs shall comply with the detailed standards of the planning authority for such road works.</p> <p>Reason: In the interest of amenity and of traffic and pedestrian safety.</p>
5.	<p>A minimum of 10% of all communal car parking spaces shall be provided with functioning EV charging stations/points, and ducting shall be provided for all remaining car parking spaces, including in-curtilage spaces, facilitating the installation of EV charging points/stations at a later date. Where proposals relating</p>

	<p>to the installation of EV ducting and charging stations/points has not been submitted with the application, in accordance with the above noted requirements, such proposals shall be submitted and agreed in writing with the planning authority prior to the occupation of the development.</p>
6.	<p>Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
7.	<p>Prior to the commencement of development, the developer or any agent acting on its behalf, shall prepare a Resource Waste Management Plan (RWMP) as set out in the EPA's Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for Construction and Demolition Projects (2021) including demonstration of proposals to adhere to best practice and protocols. The RWMP shall include specific proposals as to how the RWMP will be measured and monitored for effectiveness; these details shall be placed on the file and retained as part of the public record. The RWMP must be submitted to the planning authority for written agreement prior to the commencement of development. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.</p> <p>Reason: In the interest of sustainable waste management.</p>
8.	<p>The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including hours of working, noise management measures and off-site disposal of construction/demolition waste.</p> <p>Reason: In the interests of public safety and residential amenity.</p>
9.	<p>Proposals for the development name and numbering scheme and associated signage shall be submitted to and agreed in writing with the</p>

	<p>planning authority prior to commencement of development. Thereafter, signs and numbers, shall be provided in accordance with the agreed scheme. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name.</p> <p>Reason: In the interest of urban legibility, and to ensure the use of locally appropriate place names for new residential areas.</p>
10.	<p>All public service cables for the development, including electrical and telecommunications cables, shall be located underground throughout the site.</p> <p>Reason: In the interest of visual amenity.</p>
11.	<p>A plan containing details for the management of waste within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials and for the ongoing operation of these facilities shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.</p> <p>Reason: In the interests of residential amenity and proper waste management.</p>
12.	<p>The communal open spaces, including hard and soft landscaping, car parking areas and access ways, communal refuse/bin storage and all areas not intended to be taken in charge by the local authority, shall be maintained by a legally constituted management company.</p> <p>Details of the management company contract, and drawings/particulars describing the parts of the development for which the company would have responsibility, shall be submitted to, and agreed in writing with, the planning authority before any of the residential units are made available for occupation.</p> <p>Reason: To provide for the satisfactory future maintenance of this development in the interest of residential amenity.</p>
13.	<p>The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing</p>

with, the planning authority prior to commencement of development. This scheme shall include the following:

(a) A plan to scale of not less than 1:500 showing –

(i) The species, variety, number, size and locations of all proposed trees and shrubs

(ii) Details of screen planting which shall not include cupressocyparis x leylandii

(iii) Details of roadside/street planting.

(iv) Hard landscaping works, specifying surfacing materials, furniture, play equipment and finished levels.

(b) Specifications for mounding, levelling, cultivation and other operations associated with plant and grass establishment.

(c) A timescale for implementation.

All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development or until the development is taken in charge by the local authority, whichever is the sooner, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

Reason: In the interest of residential and visual amenity.

14. The developer shall appoint and retain the services of a qualified Landscape Architect (or qualified Landscape Designer) as a Landscape Consultant, throughout the life of the construction works and shall notify the planning authority of that appointment in writing prior to commencement of development. A practical completion certificate shall be signed off by the Landscape Architect when all landscape works are fully completed to the satisfaction of the planning authority and in accordance with the permitted landscape proposals.

	<p>Reason: To ensure full and verifiable implementation of the approved landscape design.</p>
15.	<p>Prior to commencement of development, the developer shall enter into water and/or wastewater connection agreement(s) with Uisce Eireann.</p> <p>Reason: In the interest of public health.</p>
16.	<p>Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company or such other security as may be accepted in writing by the planning authority, to secure the protection of the trees on site and to make good any damage caused during the construction period, coupled with an agreement empowering the planning authority to apply such security, or part thereof, to the satisfactory protection of any tree or trees on the site or the replacement of any such trees which die, are removed or become seriously damaged or diseased within a period of three years from the substantial completion of the development with others of similar size and species. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.</p> <p>Reason: To secure the protection of the trees on the site.</p>
17.	<p>Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays.</p> <p>Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the residential amenities of property in the vicinity.</p>
18.	<p>Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of any unit.</p> <p>Reason: In the interests of residential amenity and public safety.</p>

19.	<p>Prior to the commencement of any house in the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority (such agreement must specify the number and location of each house or duplex unit), pursuant to Section 47 of the Planning and Development Act 2000, as amended, that restricts all houses and permitted, to first occupation by individual purchasers i.e. those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing.</p> <p>Reason: To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.</p>
20.	<p>Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and Section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 97(7) applies) may be referred by the planning authority or any other prospective party to the agreement to the Board for determination.</p> <p>Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.</p>
21.	<p>Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the</p>

	<p>developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.</p> <p>Reason: To ensure the satisfactory completion of the development.</p>
22.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
