**ABP-314036-22**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 13/07/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the zoning objective of the area, the design, layout and scale of the proposed development, and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenities or the residential amenities of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The proposed development shall be carried out in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by An Bord Pleanála on the 26<sup>th</sup> day

of July, 2022, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the proposed development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

3. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays, inclusive, between 0900 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity.

4. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and surface water management.

5. All necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble, or other debris on adjoining roads during the course of the works.

**Reason:** To protect the amenities of the area.
