The submissions on this file and the Inspector's report were considered at a Board meeting held on 01/11/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Having regard to the nature and scale of the proposed extension and the character and pattern of development within the Ashlawn estate, it is considered that subject to compliance with conditions set out below, the proposed development would respect the scale and character of both the existing house on the site and other housing in the immediate area, would not seriously injure the residential amenities of the area or property in the vicinity and would not result in the creation of a traffic hazard. The proposed development would therefore be in accordance with the provisions of the Donegal County Development Plan 2018-2024 and the draft Letterkenny and Local Transport Plan 2023-2029 and would also accord with the proper planning and sustainable development of the area.
