The submissions on this file and the Inspector's report were considered at a Board meeting held on 28/06/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the Dún Laoghaire-Rathdown County Development Plan 2022-2028, the zoning objective of the site "To provide residential development and improve residential amenity while protecting the existing residential amenities", and the design, layout and scale of the proposed development and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development and the development proposed for retention would not seriously injure the visual amenities or residential amenity of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The proposed development and the development proposed for retention shall be retained, carried out and completed in accordance with the plans and particulars received by the planning authority on the 26<sup>th</sup> day of May, 2022, except as may otherwise be required in order to comply with the following

conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority and the development shall be retained, carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The development shall comply with all conditions of planning register reference number D20A/0649, except as may otherwise be required in order to comply with the following conditions.

**Reason:** In the interest of clarity and the proper planning and sustainable development of the area.

3. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority within three months of the date of this Order.

**Reason:** In the interest of visual amenity.

4. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity.

5. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and surface water management.

6. All necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble, or other debris on adjoining roads during the course of the works.

**Reason:** To protect the amenities of the area.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid within three months of the date of this Order or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
