The submissions on this file and the Inspector's report were considered at a Board meeting held on 16/10/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the pattern of development in the area and its residential zoning under the Dun Laoghaire Rathdown County Development Plan 2022-2028, and to the standards for such development set out in section 12.3.7 Additional Accommodation in Existing Built-Up Areas of that Plan, it is considered that, subject to compliance with conditions below, the proposed house would not seriously injure the character of the area or the amenities of property in the vicinity and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

	<p>conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity</p>
2.	<p>Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
3.	<p>Prior to the commencement of development, the developer shall submit to, and agree in writing with, the planning authority a Construction Method Statement for any works to the existing boundary walls that in order to ensure the structural integrity of the existing boundary walls around the site</p> <p>Reason: In order to protect architectural character and in the interest of visual amenity</p>
4.	<p>Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays.</p> <p>Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the amenities of property in the vicinity.</p>
5.	<p>All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground.</p> <p>Reason: In the interests of visual and residential amenity.</p>
6.	<p>Water supply and drainage arrangements including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.</p>

	<p>Reason: In the interest of public health and surface water management.</p>
7.	<p>Prior to the commencement of development, the developer shall enter into a water and wastewater connection agreement with Irish Water.</p> <p>Reason: In the interests of public health</p>
8.	<p>The developer shall comply with all requirements of the planning authority in relation to transport and traffic matters. In this regard, no in-curtilage car parking is permitted as part of this development.</p> <p>In this regard, a detailed construction traffic management plan shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. The plan shall include details of arrangements for routes for construction traffic, parking during the construction phase, the location of the compound for storage of plant and machinery and the location for storage of deliveries to the site</p> <p>Reason: In the interests of public safety and in the interests of clarity</p>
9.	<p>The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including hours of working, noise management measures including noise management measures, machinery storage and off-site disposal of construction/demolition waste.</p> <p>Reason: In the interests of public safety and residential amenity.</p>
10.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the</p>

planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission

Note: The applicants are advised to note section 34(13) of the Planning and Development Act, 2000 (as amended) which states that a person shall not be entitled solely by reason of a permission to carry out any development.
