Pleanála

Board Direction
BD-011420-22
ABP-314400-22

At a meeting held on 01/11/2022, the Board considered the report of the Inspector, and the documents and submissions on file generally, in relation to the proposed development, consisting of the provision of a proposed 38kV-to-110kV step-up transformer, and extension to the substation at Srananagh 110/220kV substation, Ballysumaghan, County Sligo.

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála, does not fall within the scope of section 182A of the Planning and Development Act 2000 (as amended), and that the planning application should be made in the first instance to the relevant planning authority.

Board Member:

Dave Walsh

Date: 01/11/2022
