The submissions on this file and the Inspector's report were considered at a Board meeting held on 21/09/2022.

The application for an extension of time was given due consideration, resulting in the following decision, based on the reasons and considerations set out below:

Grant an extension of the period for the making of an application for substitute consent for a period of twelve months, i.e. up to 21<sup>st</sup> September 2023.

#### **Reasons and Considerations**

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, arising from ongoing legal proceedings. It is considered that an extension of time until the 21<sup>st</sup> day of September 2023 would be reasonable and appropriate to enable completion of application documentation to the necessary standard.
