The submissions on this file and the Inspector's report were considered at a Board meeting held on 13/06/2023.

The Board determine that the development proposed to be carried out by Galway County Council would not be likely to have significant effects on the environment and the preparation and submission of an environmental impact assessment report is not required for the reasons and considerations set out under.

Reasons and Considerations

Having regard to the following:

- (a) the criteria set out in Schedule 7 of the Planning & Development Regulations, 2001 (as amended),
- (b) the nature and limited scale of the proposed development,
- (c) the limited potential for significant effects on the environment,
- (d) the submission of the local authority, and,
- (e) the report and recommendation of the inspector,

It is considered that the proposed development would not be likely to have significant effects on the environment and that the preparation and submission of an environmental impact assessment report is not, therefore, required.
