**Re: Amending Board Order**  
**S146A of the Planning and Development Act, 2000, as amended**

The submissions on this file were considered at a Board meeting held on 09/01/2024.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of November 28<sup>th</sup>, 2023. The Board decided that it is appropriate to amend condition no. 2 in order to facilitate the operation of the permission.

The Board decided that a clerical error had occurred. It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission.

Accordingly the Board hereby amends the above-mentioned decision by the amendment of Condition #2, in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

2. The proposed 1.5m high lightning finials shall be omitted from the proposed development.
