The submissions on this file were considered at a Board meeting held on 16/12/2022.

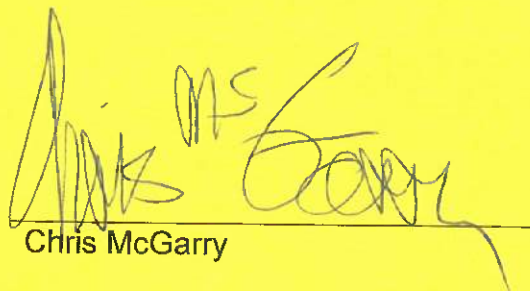

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Remove condition no. 7

### Reasons and Considerations

Having regard to the nature of the proposed development and the submissions on file, the Board determined that the provisions of the current Development Contribution Scheme as adopted by Kildare County Council, were improperly applied in this instance and that condition number 7 should therefore be removed.
