**ABP-314905-22**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 06/09/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the zoning objective of the site in the Cork City Development Plan 2022-2028, to the design and scale of the proposed development, to the infill nature of the site, and to the pattern of development in the vicinity, it is considered that the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity, would represent an appropriate residential density, would be acceptable in terms of traffic safety and convenience, would not endanger public health, and would comply with the relevant provisions of the Cork City Development Plan 2022-2028, the National Planning Framework, and the Sustainable Residential Development in Urban Areas, Guidelines for Planning Authorities. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1.	<p>The development shall be carried out and completed in accordance with the plans and particulars lodged with the application as amended by the further plans and particulars submitted on the 3rd day of August 2022, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p><b>Reason:</b> In the interest of clarity.</p>
2.	<p>The number of units permitted by this grant of permission is 96 units.</p> <p><b>Reason:</b> In the interest of clarity</p>
3.	<p>Details of the materials, colours and textures of all the external finishes to the proposed buildings shall be as submitted with the application, unless otherwise agreed in writing with, the planning authority prior to commencement of development. Reason: In the interest of visual amenity</p>
4.	<p>Details of the general appearance of finishes to the commercial building, including details of signage, shuttering (which shall be internalised) and lighting shall be submitted to and agreed with the planning authority prior to the commencement of development. No other advertisement or advertisement structure including poster signs or flagpoles shall be erected or displayed on the building, within the site's curtilage or along the roadside unless authorised by a further grant of planning permission.</p> <p><b>Reason:</b> In the interest of visual amenity. In order to allow the planning authority to assess the impact of any such advertisement or structure on the amenities of the area</p>
5.	<p>Public lighting shall be provided in accordance with a scheme, which shall include lighting along pedestrian routes, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development/installation of lighting. Such lighting shall be provided prior to the making available for occupation of any unit.</p>

	<b>Reason:</b> In the interests of amenity and public safety.
6.	<p>All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.</p> <p><b>Reason:</b> In the interests of visual and residential amenity.</p>
7.	<p>Proposals for a street, building and public space naming scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all street signs and dwelling numbers, shall be provided in accordance with the agreed scheme. No advertisements / marketing signage relating to the name(s) of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed names.</p> <p><b>Reason:</b> In the interest of urban legibility.</p>
8.	<p>The developer shall facilitate the archaeological appraisal of the site and shall provide for the preservation, recording and protection of archaeological materials or features which may exist within the site. In this regard, the developer shall:</p> <p>(a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development, and</p> <p>(b) employ a suitably-qualified archaeologist prior to the commencement of development. The archaeologist shall assess the site and monitor all site development works.</p> <p>The assessment shall address the following issues:</p> <p>(i) the nature and location of archaeological material on the site, and</p> <p>(ii) the impact of the proposed development on such archaeological material.</p>

	<p>A report, containing the results of the assessment, shall be submitted to the planning authority and, arising from this assessment, the developer shall agree in writing with the planning authority details regarding any further archaeological requirements (including, if necessary, archaeological excavation) prior to commencement of construction works.</p> <p>In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.</p> <p><b>Reason:</b> In order to conserve the archaeological heritage of the area and to secure the preservation (in-situ or by record) and protection of any archaeological remains that may exist within the site.</p>
9.	<p>Drainage arrangements including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services. The developer shall coordinate with the Drainage Department of the Council during the detailed design and construction of the development.</p> <p>In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.</p> <p><b>Reason:</b> In the interest of public health and surface water management.</p>
10.	<p>Prior to the commencement of development, the developer shall enter into water/or wastewater connection agreement(s) with Uisce Eireann.</p> <p><b>Reason:</b> In the interest of public health.</p>
11.	<p>(a) The site shall be landscaped and paving and earthworks carried out in accordance with the detailed comprehensive scheme of landscaping, which accompanied the application submitted, unless otherwise agreed in writing with, the planning authority prior to commencement of development.</p> <p>(b) The palette of materials to be used, including street furniture, paving etc to be used in public spaces shall be agreed in writing with the planning authority prior to the commencement of development on the site.</p> <p><b>Reason:</b> In the interest of residential and visual amenity.</p>

12.	<p>All trees within and on the boundaries of the site shall be retained and maintained, with the exception of the following:</p> <p>(a) Specific trees, the removal of which is authorised in writing by the planning authority to facilitate the development.</p> <p>(b) Trees which are agreed in writing by the planning authority to be dead, dying or dangerous through disease or storm damage, following submission of a qualified tree surgeon's report, and which shall be replaced with agreed specimens.</p> <p>Retained trees shall be protected from damage during construction works. Within a period of six months following the substantial completion of the proposed development, any planting which is damaged or dies shall be replaced with others of similar size and species, together with replacement planting required under paragraph (b) of this condition.</p> <p>No trench, embankment or pipe run shall be located within three metres of any trees which are to be retained on the site.</p> <p><b>Reason:</b> To prevent damage to the root systems of trees and in the interest of visual amenity.</p>
13.	<p>All planting/landscaping required to comply with the specification of the landscaping scheme submitted to the planning authority shall be maintained, and if any tree or plant dies or is otherwise lost within a period of five years, it shall be replaced by a plant of the same species, variety and size within the planting season following such loss.</p> <p><b>Reason:</b> In the interest of visual amenity.</p>
14.	<p>Prior to the opening/occupation of the development, a Mobility Management Strategy shall be submitted to and agreed in writing with the planning authority. This shall provide for incentives to encourage the use of public transport, cycling, walking and carpooling by residents / occupants / staff employed in the development and to reduce and regulate the extent of parking. The mobility strategy shall be prepared and implemented by the management company for all units within the development.</p>

	<p><b>Reason:</b> In the interest of encouraging the use of sustainable modes of transport.</p>
15.	<p>A minimum of 10% of all communal car parking spaces shall be provided with functioning EV charging stations/points, and ducting shall be provided for all remaining car parking spaces, including in-curtilage spaces, facilitating the installation of EV charging points/stations at a later date. Where proposals relating to the installation of EV ducting and charging stations/points has not been submitted with the application, in accordance with the above noted requirements, such proposals shall be submitted and agreed in writing with the Planning Authority prior to the occupation of the development.</p> <p><b>Reason:</b> To provide for and/or future proof the development such as would facilitate the use of Electric Vehicles.</p>
16.	<p>(a) A plan containing details for the management of waste (and, in particular, recyclable materials) within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials and for the ongoing operation of these facilities for each house unit shall be submitted to, and agreed in writing with, the Planning Authority not later than 6 months from the date of commencement of the development. Thereafter, the waste shall be managed in accordance with the agreed plan.</p> <p>(b) This plan shall provide for screened communal bin stores, the locations and designs of which shall be included in the details to be submitted.</p> <p><b>Reason:</b> In the interest of residential amenity, and to ensure the provision of adequate refuse storage.</p>
17.	<p>The construction of the development shall be managed in accordance with a Construction and Environmental Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including:</p>

- a) Location of the site and materials compounds including areas identified for the storage of construction refuse.
- b) Location of areas for construction site offices and staff facilities.
- c) Details of site security fencing and hoardings.
- d) Details of on-site car parking facilities for site workers during construction.
- e) Details of the timing and routing of construction traffic to and from the construction site and associated directional signage, to include proposals to facilitate the delivery of abnormal loads to the site.
- f) Measures to obviate queuing of construction traffic on the adjoining road network.
- g) Measures to prevent the spillage or deposit of clay, rubble or other debris on the public road network.
- h) Alternative arrangements to be put in place for pedestrians and vehicles in the case of the closure of any public road or footpath during the course of site development works.
- i) Details of appropriate mitigation measures for noise, dust and vibration, and the location and frequency of monitoring of such levels.
- j) Containment of all construction-related fuel and oil within specially constructed bunds to ensure that fuel spillages are fully contained. Such bunds shall be roofed to exclude rainwater.
- k) Means to ensure that surface water run-off is controlled such that no silt or other pollutants / contaminants enter local surface water sewers or drains.
- l) A record of daily checks that the works are being undertaken in accordance with the Construction Management Plan shall be kept for inspection by the planning authority.

	<p>m) Measure to fully remediate the site in accordance with a Construction Stage Invasive Plant Species Management plan, in advance of the commencement of construction activities.</p> <p><b>Reason:</b> In the interest of amenities, public health and safety.</p>
18.	<p>Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays.</p> <p>Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p><b>Reason:</b> In order to safeguard the residential amenities of property in the vicinity.</p>
19.	<p>Prior to the commencement of development, the developer or any agent acting on its behalf, shall prepare a Resource Waste Management Plan (RWMP) as set out in the EPA's Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for Construction and Demolition Projects (2021) including demonstration of proposals to adhere to best practice and protocols. The RWMP shall include specific proposals as to how the RWMP will be measured and monitored for effectiveness, these details shall be placed on the file and retained as part of the public record. The RWMP must be submitted to the planning authority for written agreement prior to the commencement of development. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.</p> <p><b>Reason:</b> In the interest of sustainable waste management</p>
20.	<p>Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for</p>

	<p>and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.</p> <p><b>Reason:</b> To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.</p>
21.	<p>Prior to the commencement of any house or duplex unit in the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority (such agreement must specify the number and location of each house or duplex unit), pursuant to Section 47 of the Planning and Development Act 2000, as amended, that restricts all houses and duplex units permitted, to first occupation by individual purchasers i.e. those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing.</p> <p><b>Reason:</b> To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.</p>
22.	<p>Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.</p>

	<p><b>Reason:</b> To ensure the satisfactory completion and maintenance of the development until taken in charge.</p>
23.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p><b>Reason:</b> It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
