The submissions on file and the inspector's report were considered at a Board Meeting held on the 11/08/2023.

The Board decided that the proposed development falls within the class of energy infrastructure relating to a wind power installation for energy production as set out in the Seventh Schedule of the Planning and Development Act 2000, as amended. The Board further considered that the proposed development would satisfy the conditions contained in section 37A (2) (a), (b) and (c) of the Planning and Development Act and concluded that the proposed development constitutes a strategic infrastructure development for the purposes of the Planning and Development Act.

The Board recommended the application documents should be forwarded the list of Prescribed Bodies below for their consultation and consideration for the purposes of Section 37E (3) (c) of the Act:
