The submissions on this file and the Inspector's report were considered at a Board meeting held on 04/01/2024.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below / set out on the attached copy of the Inspector's report, that the planning authority be directed, as follows:

Remove condition number 2

Reasons and Considerations

Having regard to the adopted Kilkenny County Council Development Contribution Scheme, an exemption from the payment of a development contribution applies in respect of 'Masts and antennae and other apparatus/equipment for communication purposes that form part of the National Broadband Scheme or a subsequent endorsed initiative as defined by the Department of Communication, Energy and Natural Resources,' Condition Number 2 of the grant of permission should therefore **be omitted from the decision to grant permission.**
