All submissions on this file and the Inspector's report were considered at a Board meeting held on 12/07/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the zoning objective of the area, the design, layout and scale of the proposed development to be retained and the pattern of development in the area, it is considered that, subject to compliance with conditions below, the development would not seriously injure the visual amenities of the area or residential amenity of property in the vicinity. The proposed development for which permission is sought to retain would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	The development shall be retained in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Reason: In the interest of clarity.

2.	<p>Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.</p> <p>Reason: In the interest of public health and to ensure a proper standard of development.</p>
3.	<p>Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001, and any statutory provision replacing or amending them, no development falling within Classes 1, 3 and 5 of Schedule 2, Part 1 to those Regulations shall take place within the curtilage of the house without a prior grant of planning permission.</p> <p>Reason: In the interest of orderly development, and to allow the planning authority to assess the impact of any such development on the amenities of the area through the statutory planning process</p>
