The submissions on this file and the Inspector's report were considered at a Board meeting held on 11/01/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the site location in an established suburban area and to the established pattern and character of development in the vicinity it is considered that subject to the conditions set out below, the proposed development would not seriously injure the residential amenities of property in the vicinity or the visual amenities of the area and, would be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on 16th November, 2022 except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior

to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The length of the proposed extension at first floor level beyond the main rear building line of the existing dwelling shall be reduced by one metre and shall not exceed 3.5 metres. . Revised drawings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of the protection of residential amenities of adjoining properties and the amenities of the area.

3. The developer shall enter into water and wastewater connection agreements with Irish Water.

Reason: In the interest of public health.

Surface water drainage arrangements shall comply with the requirements of the planning authority for such services and works.

Reason: In the interest of public health.

4. Details of all external finishes shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

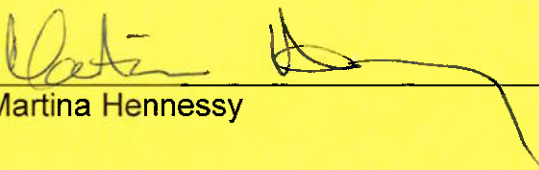

Reason: In the interest of visual amenity.

5. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the

commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
