Pleanála

**Board Direction**  
**BD-012098-23**  
**ABP-315479-23**

At a meeting held on 8<sup>th</sup> May 2023, the Board considered the report of the Inspector, and the documents and submissions on file generally in respect of the proposed development of a new Gas Turbine Generation Station with an output of up to 293 megawatts at Ballyneety Co. Limerick.

The Board decided that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on 6<sup>th</sup> January 2023 does not fall within one or more of the paragraphs as set out in section 37A of the Planning and Development Act 2000 as amended, and consequently, does not constitute strategic infrastructure development.

Any application for permission for the proposed development must, therefore, be made directly to Limerick County Council.
