Having regard to the 'General Business' zoning objective in the Waterford City and County Development Plan 2022-2024, relating to the site and the nature and extent of the proposed development, it is considered that the proposal, subject to the conditions set out below, represents a positive response to an underutilised site, is compliant with the parking requirements of the above Development Plan, would be acceptable in terms of traffic safety and would not seriously injure the amenities of the area or property in the vicinity. Therefore, the Board considered that the proposed development was in accordance with the proper planning and sustainable development of the area.
