The submissions on this file and the Inspector's report were considered at a Board meeting held on 15/02/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Meath County Development Plan 2021-2027, including the zoning objective for the site B1- Commercial/Town or Village Centre – “to protect, provide for and/or improve town and village centre facilities and uses”, it is considered that, subject to compliance with the conditions set out below, the proposed development would not materially contravene Development Plan Objective DM OBJ 49, would not seriously injure the visual or residential amenities of the area, or of property in the vicinity, would not, by virtue of the existing access constitute a traffic hazard and would provide an acceptable standard of amenity for future residents. Furthermore, having regard to the site location within a designated Architectural Conservation Area and the effective retention, rehabilitation and reuse of a former vernacular dwelling, it is considered that the proposed development would comply with, and facilitate the delivery of, policies HER POL 19 and HER POL 20 in relation to Architectural Conservation Areas and policies HER POL 21 and HER POL 22 in relation to Vernacular Architecture. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.
