The submissions on this file and the Inspector's report were considered at a Board meeting held on 01/03/2024.

The Board decided to refuse permission, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

1. On the basis of the planning history of the site, the proposed development relates to a site where there are existing unauthorised structures which are subject to current enforcement files. In such circumstances, the Board is precluded from granting planning permission.
