At a meeting held on 17/07/23, the Board considered the report of the Inspector, and the documents and submissions on file generally in relation to the proposed development.

The Board decided that the proposed development, consisting of a new line bay and associated underground cabling at Kellis 220kV substation on lands in the townland of Kellistown East, Co. Carlow, as set out in the plans and particulars received by An Bord Pleanála on 4th April, 2023, does not fall within the scope of section 182A of the Planning and Development Act, 2000, as amended, and that a planning application should be made in the first instance to the Carlow County Council.
