The submissions on this file and the Inspector's report were considered at a Board meeting held on 27/02/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the nature and scale of the proposed development, and the established pattern and character of development in the area, it is considered that the proposed development, subject to compliance with the conditions set out below, is an acceptable form of development and is consistent with the provisions of the Limerick Development Plan 2022-2028, including those set out in Section 11.4.4.1 (Extensions to Dwellings) and Objective HO 03 (Protection of existing residential amenity). The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as revised by the further plans and particulars received by the planning authority, except as may otherwise be required in order to comply with the following conditions.

Reason: In the interest of clarity.

2. The existing dwelling and the proposed extension shall be used solely as a single dwelling unit and shall not be subdivided in any way through sale, letting or by any other means.

Reason: To restrict the use of the extension in the interest of residential amenity and the proper planning and sustainable development of the area.

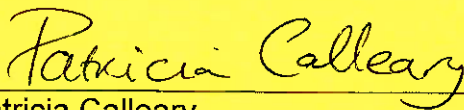

3. Drainage arrangement including the collection and disposal of surface water shall comply with the requirements of the planning authority for such works and services.

Reason: To prevent flooding and in the interests of sustainable drainage.

4. Site development and building works shall be carried out only between the hours of 0800 to 2000 Mondays to Fridays inclusive, between 0800 to 1600 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.
