The submissions on this file and the Inspector's report were considered at a Board meeting held on 12/03/2024

The Board decided to set aside the determination of the local authority, and allow the appeal in respect of the land parcels identified in documentation on file as MD-RAP-18, MD-RAP-15, MD-R-16 and that part of MD-R-10 that is included in Drawing No. 18465\_IN\_21\_00 provided with the appeal .

In respect of these parcels the Board set aside the determination of the local authority in accordance with the Inspector's recommendation and reasons and considerations. The Board noted that the status of parcels MD-R-17 and MD-R-19 were not appealed and so the board made no determinations in regard to these parcels.
