The submissions on this file and the Inspector's report were considered at a Board meeting held on 28/08/2023.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

- 1.1. Having regard to the zoning of the site for the provision, protection and improvement of residential amenity in the Fingal County Development Plan 2023 – 2029, the location of the application site at the end of a cul de sac, the relatively large front garden available to accommodate the proposed extension and subject to the conditions set out below it is considered that the proposed development would not seriously injure the residential amenity of nearby houses or the visual amenity of the wider area and would, otherwise, accord with the provisions of the current County Development Plan and with the proper planning and sustainable development of the area.

Conditions

1.	<p>The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>The existing dwelling and proposed extension shall be jointly occupied as a single residential unit and the extension shall not be sold, let or otherwise transferred or conveyed, save as part of the dwelling.</p> <p>Reason: To restrict the use of the extension in the interest of residential amenity.</p>
3.	<p>(a) The wall of the entrance hall shall be permanently glazed in obscure glass.</p> <p>(b) Details of the external finishes of the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of residential amenity.</p>
4.	<p>Surface water drainage arrangements shall comply with the requirements of the planning authority for such services and works.</p> <p>Reason: In the interest of public health.</p>
5.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the</p>

Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
