08/11/2023.

The Board decided to dismiss this appeal under section 133 of the Planning and Development Act, 2000, as amended, based on the following reasons and considerations.

Having regard to the serving of a notice to the appellant in accordance with Section 131 of the Planning and Development Act 2000, as amended (by date 01/08/2023 – and reissued) and notices in accordance with Section 132 of the Planning and Development Act 2000, as amended (by date 06/09/2023 and 12/10/2023 seeking evidence that the address furnished by the appellant is his actual address), which were returned by An Post, and marked 'gone away', the Board determined that there is no evidence received from the appellant confirming that the address furnished in the appeal is his actual address. The Board decided, therefore, to dismiss the appeal.
