The submissions on this file and the Inspector's report were considered at a Board meeting held on 01/03/2024.

The Board decided to refuse permission, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

Having regard to Table 3 in Appendix 3 to the County Donegal Development Plan 2018-2024, it is considered that sightlines are restricted on the northern side of the proposed access and that therefore the proposed development would endanger public safety by reason of traffic hazard and prejudice the safety of road users on the L-3174.
