The submissions on file and the inspector's report were considered at a Board Meeting held on 01/05/2024.

The Board decided that Laurclavagh Limited be informed that the proposed development consisting of a 110kV substation and underground 110kV transmission line between the proposed windfarm at Laurclavagh and the existing substation at Cloon, as set out in the plans and particulars received by An Bord Pleanála on the 27th July 2023, does fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made directly to the Board

The applicant shall be informed that the application documentation should be forwarded to the following prescribed bodies for the purposes of Section 182A(4)(b) of the Act:

- Minister for Housing, Local Government and Heritage
- Minister for Culture, Heritage and the Gaeltacht (Development Applications Unit)
- Minister for Agriculture, Food and the Marine
- Minister for Communications, Climate Action and Environment
- Minister for Transport, Tourism and Sport
- Galway County Council
- Irish Water
- Inland Fisheries Ireland
- Transport Infrastructure Ireland
- Environmental Protection Agency
- The Heritage Council

- An Taisce
- An Chomhairle Ealaíon
- Fáilte Ireland
- Irish Aviation Authority
- Department of Defense
- Office of Public Works

Further notifications should also be made, where deemed appropriate.

Note : The prospective applicant should be advised to submit a standalone document (which may form part of the EIAR) with the planning application, which outlines the mitigation measures, in the interest of convenience and ease of reference.
